Mr Jim Stark, Mr Adam Gatkowski, Mr Nathan Collison, Mr Malcolm Crook, Mr Brent Edgerton, Mr Adam McGrath and also our Mr Malby and Mr Insch who are veterans of pathways and discos.

PREP ENROLMENTS FOR 2016
For 2016, we have a capacity to enrol 75 students as a maximum in Prep classes. We are firstly obliged to enrol students from within our school zone. Once that has been done, we are able to take enrolments outside of our zone on the proviso that we retain a buffer for new students moving to Bowen who live in our zone; and that we do not exceed 75 in total. Students from Outside the Zone will initially be placed on a Waiting List. There is also a possibility of the school enrolling those students who were born in July and just missed out on Prep for 2016. These children will go onto a Waiting List and it is the school's decision whether to accept their early enrolment.

If you are not sure of how your child is situated for 2016, please contact the Principal or Deputy Principal for further information.

KEEPING SAFE @ QB - PICK UP ZONE
Thank you to those drivers who keep left and do not overtake when using our Pick Up Zone after school.

Remember no u turns in zone.

BIG 3 RULES - BE A LEARNER @ QB
Easy to remember – our 3 Big Rules
Be Safe – Walk Around Buildings.
Be Respectful – Polite To Each Other.
Be Responsible – Word Hard On Goals.
Then they will be the best learner they can be!

Regards Mary Franklin
Principal

NB Bowen Police Liaison Officer supports families in increasing their attendance rate from below 80% to 95% or higher.

Bingaloe PaCE Project Officer supports families in increasing their attendance rates.

WALK TO SCHOOL DAY
On Friday 11 September is Walk to School Day. Students from Queens Beach State School are set to pound the pavement.

Teachers from school will be leaving from the Golf Links Roundabout at 8.00 am and walking directly to school. So please feel free to drop your students off with us if you can see us walking along the road or alternatively join us. Students are advised to bring a water bottle, hat and wear closed in shoes.

YEAR FOUR CAMP
Our Year Four Students are off to Paluma Camp. Wednesday on 21 October to Friday 23 October. Cost of the camp is $140.00. The second payment was due by Friday 4 September. The final payment is due by Friday 9 October. After having a visit from Paluma Staff this week, students are getting very excited about camp.

WOOLWORTHS EARN & LEARN STICKERS
We are at the final stage for Woolworths Earn & Learn. Tuesday 8 September was the last day for Woolworths to give out the stickers. If you have any more sticker sheets or stickers at home please return them to the school office before the end of next week. The sticker sheets will be sent over the holidays and redeemed for educational resources.

From the Principal:
WORKING BEE FOR STUDENT COUNCIL
Our students have learned a valuable lesson. If you pursue a dream and do the ground work things can change! Our Student Councillors reported to us that students wanted more handball courts to relieve congestion and avoid conflict between groups. We put their request into our Minutes of Meetings and asked for a Facilities Visit and a meeting with our School Grounds Officer to do a site proposal.

We had to consider underground issues such as Main Water and irrigation pipes. We had to consider costs and decided against a block wall which was expensive and required engineer drawings. We voted for a low cost approach to get 2 separate courts.

We put a request into the newsletter and got the help and expertise we needed. Thank you to the following workers who made our playgrounds so much better for us:-

BOWEN TRIATHLON 2015
Junior Triathlon-Saturday 10 October
Under 8s, 8-10 years, 11-13 years
Swim, Cycle, Run

In a NUTSHELL …
Practical and positive advice from your school’s Guidance Officer!

This week:
PETS AS GREAT TEACHERS AND THERAPISTS
Children can learn a thing or two from pets and with appropriate reinforcement from parents, here are just a few lessons they may experience:

- RESPONSIBILITY – children can learn how to feed, care for, clean, play and exercise their pet and a weekly routine may even be put in place

- GRIEF & LOSS – often children’s first experience of a loss in their lives may be due to a pet and this can act as a teaching tool to prepare them for other losses they will inevitably experience in their life

- COMPASSION – they have to learn how to care for something, play gently, take proper care, be kind and accept difference

- THERAPY – a pet always listens, they love you unconditionally, when you’re having a tough day, a pet may be able to lift your spirits, prompt you to get out of the house and go for a walk (if your pet is a dog). A pet can help increase interest in life, making people feel less alone and improve self-esteem. A sense of belonging is always fulfilled with a family pet.

Don’t underestimate the benefits of having a family pet. Nonetheless, these benefits still need to be taught and emphasised by parents.

- Mrs Doyle
